4. Tuition Fees

4.1 Students who are eligible for VET Student Loans have two options to pay their tuition fees:

- pay some or all of their tuition fees up-front, or
- submit a Request for a VET Student Loan via eCAF to defer some or all of their tuition fees through VET Student Loans.

4.2 If students are entitled to access VET Student Loans, they have until the unit Census Date to submit their Request for a VET Student Loan eCAF or pay their tuition fees up-front. If they do not submit your form by this date they will be required to pay their tuition fees up-front or their enrolment will be cancelled.

4.3 Students who elect to take out a VET Student Loan are charged the same tuition fee irrespective of whether they pay up front or take out a loan.

4.4 A unit of study can only have one census date. A minimum of three fee periods will be set over the total Approved course duration, therefore a minimum of three census dates will be set. The fee periods will be sequential and proportionate to the total Approved course duration.

4.5 The Census Date is also the last date to enrol or vary enrolment. If students wish to enrol or add units to their current enrolment after this date, they will not be able to request VET Student Loans assistance for that unit/s.

4.6 If students have requested a VET Student Loan but change their mind about studying, they must either cancel their request for VET Student Loan assistance or withdraw their enrolment in each unit of study on or before the unit Census Date.

4.7 To withdraw an enrolment in a unit/s of study, students must complete a Student Withdrawal Form and return any BSI Learning property that is in their possession (e.g. student card or any loaned equipment). Students who withdraw from a VET unit of study on or before the census date will not incur a debt for that unit of study.

5. Other Fees

5.1 BSI Learning may charge certain incidental fees including fees for equipment or items that become a student's physical property like equipment, replacement documentation and other services not essential to study. Incidental fees (if applicable) will be published in the Course Information Brochure and on BSI Learning's website.

5.2 Students cannot defer payment of incidental fees through VET Student Loans and these fees must be paid up-front as required.
